

Dear Coach O'Brien,

My name is Emma Smith and I am writing you because I am very interested in playing soccer at Brown University.

I am currently a freshman (2019 YOG) at Notre Dame Academy in Hingham, Ma. I play club soccer on South Shore Select's U16 AP as a defender. I am attaching my resume which will give you some more information about me as a highly motivated student and a soccer player.

Academics are extremely important to me and my family. I currently have a 3.83 GPA. My parents were both NESCAC athletes and we value education in addition to a strong soccer program! Brown University's clearly hits the mark for both academics and athletics and I look forward to demonstrating why I would be a great fit there.

In addition to being Head Women's Soccer at Boston College, Alison Foley is the Director of Coaching for South Shore Select. Coach Foley would be happy to talk more about me as a soccer player and as a potential fit for Brown. Her email is seniordirector@southshoreselectsoccer.com.

My team competes in the US Youth Soccer National League and we recently got back from Wilson, NC where we beat the defending national champions, Legends FC 00 (CA). My team will be playing in the Disney Showcase this coming weekend in Orlando, FL. I am hoping that if you are making the trip to Disney you might make it to a game to see me play. My game schedule is:

Game 1:

12/31, 8:30am, Field: ESPN 29, South Shore Select vs Sunrise String 00/01 (FL)

Game 2:

1/1, 11:00am, Field: ESPN 29, South Shore Select vs. 00TFCA Alliance (NC)

Thank you for your time. Go Bears!
Emma Smith
